ALICAP HONORS: Dudley Elementary recently received an All Lines Interlocal Cooperative Aggregate Pool award because of parental and community support of the school. District 20 officials accepted the award at a Nebraska State School Board Association convention on Nov. 19.

Dudley principal Jim Widdifield said parents and other volunteers do an outstanding job working inside and outside of the school to help students. Dudley received a plaque and a check for \$1,000. Pictured are, l-r: Lt. Gov. Rick Sheehy, District 20 school board member Amber Burge and school superintendent Mike Teahon.
