SQUEEZE CHAMPS: Eight Gothenburg FFA officers, who have never milked a cow, compete against Stone Hearth Estates residents recently for the coveted title of "Top Milker." Winning hands down the Gothenburg FFA officers put the Stone Hearth seasoned milkers to shame. Its was a classic example where brawn beats brains, not to mention a little rheumatoid arthritis. The cow was provided by the Nebraska Dairy Association to help Stone Hearth celebrate Milk Month. The FFA members pictured include, l-r: Front—Stephanie Rubenthaler, Jayde Keiser, Aaron Lauer, Kyle Demoret, Aaron Block; Back—Tommy France, Chris Block, Brennan Costello.
