A Cozad team joined local teams this year for the Farm Chore Relay Race Saturday afternoon in a vacant field west of Pamida.

In its second year, the event attracts people with farm backgrounds.

Six teams competed against the clock this year in calling the hogs, corn shucking, hay-bale pushing, setting irrigation tubes, gathering eggs, goat milking and backing trailers teams sat upon when stopped at various locations.

At each stop, teams also had to detach and re-attach trailers from four-wheelers before moving to the next competition.

After competing a couple of times, “The Blue Ucky” came out on top.

1. **Blue Ucky**—Marc Bartlett, Molly (Trimble) Logemann, Paul Peterson and Matt Lauer.
Combined time: 7:14.

2. **The South Siders**—Ross Ristine, Mark Ostergard, Troy Franzen and John Hecox.
Combined time: 7.46.

3. **Cozad Clucks**—Levi Messersmith, Nate Dillon, Brandon Schulte and Ryan Schneider.
