PRETTY PLANTING: Members of the Gothenburg Gardennaires Club cleaned up rose beds and thinned day lilies at E.G. West Park last week to make room for a fresh spring look. City officials approached the club to help spruce up the park and several perennials were donated by Marilyn McNeal of Callaway. Pictured working in the rose bed are, l-r: Faye Kniss, Arlene Franzen, Donna Morris, Tip Ronnenkamp, Nancy Fisher and Carol Gronewold.
