ANTIQUE MACHINERY: Old tractors lined 15th Street (right), on the south side of Ehmen Park, last Thursday when the Antique Tractor Relay Across Nebraska stopped for about an hour to give tractor connoisseurs time to look around.

Left, 88-year-old Rollie Brown of Gothenburg planned to drive his 1964 John Deere 3020 to Brady, as part of the parade, with his grandson taking over from there. Diana Unterseher planned to drive her John Deere 1020 to Scottsbluff with the group.
