Ho, Ho No: During the Gothenburg Chamber of Commerce's annual Magic on Main Street, Gothenburg State Bank offered several events inside its building that included an opportunity to meet and have photographs taken with Santa.

The event was downtown Thursday night and began with a jingle-bell ride on a flat-bed truck pulled by Wendell Brott. Other offerings were fire truck and pony rides, entertainment and food. Stores were open and several local individuals and groups had items for sale in the Chamber office. Pictured with Santa is 16-month-old Brayden Bliven.
