Wonder: This tree, named “Copper Sparkle,” caught the eyes of twins Marin and Morton Oberg, the children of Mark and LaNona Oberg. Pam Buddenberg decorated the tree.

Twenty-four trees were decorated for the public to view and give a free-will donation last Saturday at Stone Hearth Estates to raise money for new seats at the Sun Theatre. Ticket sales from a Friday night candlelight dinner also raised funds. Community members can view the trees through Christmas and make a donation, if they wish, at the front door.
