Hospital foundation planning 'Grease'-themed fund-raiser
Elvis is dead.
His body is in the garbage outside the Doo-Wop diner.
You have a chance to find the killer while spending some time in a cool hang-out place with rock and roll music and thick shakes.
A night of serious fun and sleuthing, with a "Grease"-themed musical that has a different twist, is in store for community members who buy tickets to a gala benefitting
Gothenburg Memorial Hospital.
The event is Saturday, Feb. 9, at 6 p.m. in the downtown Nebraska Salt & Grain building.
A group from Lexington, "Formerly Three," will play background music during dinner and the solving of the murder mystery and for a dance afterwards, according to GMH Foundation president Don Graham.
Graham said this year's murder mystery is more cast-based than what gala goers viewed last year.
