MUSIC IN SCHOOLS: The Gothenburg junior high choir was selected to sing in the Nebraska Capitol Rotunda as part of “Music In Our Schools” month on March 4 at 12:30 p.m. Director Ernie Blecha said he sent in an audition tape in early January and was recently notified that the choir had been chosen to perform. Family and friends from Gothenburg are encouraged to attend the special event. Blecha said choir members have been working hard to prepare and will perform a concert Thursday in the performing arts center beginning at 5:30 p.m. The public is invited.
