FRIGHTENED in OZ: Ozians and Dorothy and her friends cease their merrymaking in the Land of Oz once they see the Wicked Witch of the West writing an ominous message with her broom in the sky.

The scene was just one of many familiar ones when the Gothenburg High School choral department presented “The Wizard of Oz” last Saturday, Sunday and Monday in the performing arts center. Pictured are, l-r: Ozians Cole Crisman, Casey Wellman, Haley Cline, Scarecrow (Brett Mann), Dorothy (Abbie Mazour), Lion (Drake Langley), Tin Man (Rhett Lindholm) and Ozian Shaylee Scott.
