The community will have two opportunities to look at 20 specially decorated Christmas trees at Stone Hearth Estates this weekend.

For the second year in a row, the facility will host a “Tour of Trees.”

Gothenburg Improvement Company and Gothenburg Chamber of Commerce members can view the designer trees during a business-after-hours event Friday from 5 to 7 p.m.

Others can tour the trees during a public showing Saturday from 2 to 4 p.m.

A free-will donation will be taken during both tours with proceeds to go to the Gothenburg Community Playhouse for live productions.

Refreshments will be served.
