More than a week ago, the Nebraska State Patrol conducted checks on random businesses in Dawson and Gosper counties.

Troopers found six that sold alcohol to minors.

The names of those businesses have since been released.

In Dawson County, they were:

Cork & Cap, 691 Ave. E, Cozad

Box Bar, 405 N. Washington; La Hacienda, 601 N. Grant; Uncle Neal's County Convenience Store #10, 2705 Plum Creek Pkwy, Lexington

Gosper County businesses included:

Lil Red Barn, 107 N. Smith, Elwood

Sundy's Inlet, 2 Johnson Lake Drive, #18

Law enforcement performs compliance checks to ensure that businesses are complying with the state's alcohol laws and to decrease youth access to alcohol.
