DEMONSTRATIONS: During FFA Week last week, local FFA'ers had several events that promoted and taught younger students about agriculture. Local producer Mike Johnson talked about showing and raising cattle.

Below, students learned about four different John Deere tractors on display at the city four-plex. Winners in the tractor display were Aaron Lauer, newest with a 2010; Paxton Gruber, oldest with a 1950; Tyler Sheets, cleanest; Cooper Brottt, dirtiest.
