Scottsbluff definitely dominated the competition at Wild Horse Golf Club on Sept. 15 with a 29-stroke victory for the team title at the Gothenburg Invite.

The Bearcats, who won the Class B state championship in 2008, earned five medals including first and second by returning state medalists Emilee Pilkington and Kaylee Koeppen.

On their home turf, Gothenburg combined for a team total of 442 and finished in seventh place.

Freshman Heidi Teahon was the low scorer for the Swedes shooting 106, seven strokes away from earning a medal.

“Heidi continues to improve every meet,” said coach Jim Henke.

Teahon’s score was a personal best by four strokes over her previous best set at the Lexington Invite a week ago.

Sidney Thompson and Elizabeth Graham were close behind with 109 and 110 respectively.

Henke said junior golfer Anna Boson ran into more trouble than she has had recently, especially on the second nine.

Boson still made a good effort to finish with 117, Henke said while Jourdan Matthies continued her consistent play at 121.

“We have expectations that Jourdan will break through to better scores soon,” Henke said.

Team runner-up Minden had three medalists, as did third-place McCook.

TEAM STANDINGS
