Two Gothenburg volleyball players were among the 24 girls honored with all-conference post-season honors following voting by Southwest Conference coaches on Nov. 17.

Senior Ali Clark, who led the Swedes in defensive digs this season and was among the team's top servers, was voted to the all-conference first team.

Sophomore Jacey Wiggins earned second-team honors. She led the Swedes in hit attempts and kills as well as finishing the year among the team's best servers and setters.

The Ogallala Indians, which finished the season with a 29-7 record following the state tournament, earned the most all-conference selections with six.

SWC winner Minden was second with five.
