Swedes shoot lowest nine-hole score in two years.

Gothenburg golfers carded their best nine-hole team score in two years while defeating North Platte in dual action at Wild Horse Golf Club Thursday 197-215.

“We beat a good North Platte team,” said coach Jim Henke. “We had really good balance with five scorers of 54 or below.”

Gothenburg freshman Heidi Teahon was the individual medalist with her personal best nine-hole score of 44.

Swede senior Elizabeth Graham also shot her personal best at just three strokes behind Teahon with 47 for second overall.

Senior Haley Scheidt earned her personal best as well with a score of 54.

Jourdan Matthies and Brittany Ostergard completed the Swede varsity with 54 and 66 respectively.

North Platte’s varsity was led by Hilary Spelts with 51.

“The girls seemed to play so much more relaxed on this day,” Henke said. “We’ll see if that can hold true when we play away from home the rest of the season.”
