Stienike, O'Hare leave their mark

LEXINGTON—Two swimmers on the Gothenburg Swim Team earned high point medals during the 2009 Plains tSunami Swim League championships on July 18 at Lexington.

Gracie Stienike finished second in overall points earned in the 8 and under girls division. Ryan O'Hare took the top spot in the 30 and older men's group.

Individual points are earned by the swimmers based on race finishes, the same way team points are awarded.

Both swimmers finished the meet with new league records as well.

O'Hare set new championship meet records in all four events he was entered. He won the 100 long freestyle, 25 breaststroke, 25 short freestyle and the 100 individual medley.

Stienike won both the 50 freestyle and the 25 backstroke, setting a new record in the backstroke.

Lauren Johnson was a gold medal winner as well in the 8 and under girls 25 backstroke.

Medals were given to the top eight in the individual events and the top four in the relays.
