The Gothenburg/Cozad Swim Team once again took the team title on Saturday during their final regular-season meet of the Plains tSunami Swim League.

Gothenburg/Cozad floated to the top of five competing teams with a total of 580 points with host team Lexington settling for second at 422, and turning the tide from the previous year.

Members of the Gothenburg/Cozad Swim Team ended their regular season holding 36 No.1 positions in the league's Top 20. Anne Burkholder leads five individual events followed by Roman Schmidt and Karyn Burkholder with four each, while Gracie Stienike leads three. Ryan O'Hare, Aubrey O'Hare and Jill Hergenrader are tops in two events with Sam Hergenrader, Keely Lecher, Jacob Engel and Carissa Jensen leading in one.

The qualifying meet is next on the agenda for the swim team on July 6 in Minden, where top finishers earn the right to compete at the championships scheduled at Lexington on July 13.
