The Gothenburg Swim Team kept a steady pace on Saturday while hosting their last regular-season meet of the summer in the Plains tSunami Swim League.

Gothenburg competed among five town teams at the Gothenburg Public Swimming Pool, totaling 478 points, just behind Cozad with 520. Elwood finished third with 300 points, followed by McCook with 260 and Sutherland with 113.

Twenty-four individual and nine relay first-place finishes were earned by the local team. Aubrey O'Hare, Keely Lecher and Tim Strauser won three individual first-place titles, each in their respective divisions.

Members of the Gothenburg Swim Team ended their regular-season holding 12 No. 1 positions in the league's Top 20 with nine individual events and three relays. The team also boasts a total of 140 events in the league's Top 20 standings.

Gracie Stienike, Keely Lecher and Ryan O'Hare are leading the league in two individual events each, followed by Wyatt Anderson, Roman Schmidt and Aubrey O'Hare who each lead in their individual division event.

The Gothenburg 8 & Under 100 Medley Relay and 100 Free Relay as well as the 30 & Over 100 Free Relay events are also at the No. 1 position in the league's Top 20.

The qualifying meet is next on the agenda for the swim team on July 12 at Minden, where top finishers earn the right to compete at the championships scheduled at Lexington on July 19.
