Brady's annual Family Fun Night will feature a variety of pirate loot when the carnival event kicks off at 6 p.m. on Saturday, May 1, at the school.

This year's theme is "Treasure Island" and there are plenty of pirate treasures to be found including an HP Netbook and iPod touch.

In addition, there will be money bags to be located using treasure maps and raffles that include tickets to the Henry Doorly Zoo in Omaha, admission to an Omaha Royals baseball game, passes to see the Storm hockey team play in Kearney and family tickets to the CoCo Key Water Resort in Omaha.

The event, hosted by the Talon Power Booster Club, will also feature a hog roast meal for free-will donation.

For more information or to volunteer, contact Michelle Walker at 584-2338.
