SUTHERLAND—The Brady girls 4x100 relay not only beat every other team at the Best of the Midwest meet in Sutherland on May 1 but the foursome also improved their own school record time.

Shaylin McClellen, Valerie Most, Autumn Hild and Megan Polt combined for a time of 51.3 seconds for Brady's only gold medal of the day.

The time is a whole second faster than their previous school record.

Junior Bryley Roper led the boys team with a silver medal in the 400-meter run in a time of 53.5.
