We had the pleasure of speaking at the Gothenburg FFA awards banquet this year. We were extremely impressed not only by the caliber of the outstanding FFA students and advisors but the support of the program from the Gothenburg community. The officer team's leadership was very inspiring and the pride each FFA student had in the programs they participate in was amazing. The community of Gothenburg should be excited about their future and we know that agriculture will be in good hands. Thank you for letting us take part in the celebration of another great year of Gothenburg FFA program. We consider it a privilege to witness such amazing leadership in agriculture.

Troy and Stacy Hadrick, Advocates for Agriculture
