Many thanks to the local media for their coverage of the Dawson County Fair and in particular, the 4-H shows and events. The stories and great pictures document the 4-H'ers efforts in one of the most visible activities of their 4-H year. In all, nearly 2,700 separate entries were exhibited.

We also appreciate the Ag Society members and staff for their wonderful support. They, along with all the 4-H'ers, parents, superintendents, judges, ring men, emcees and fair goers make "County Fair" such a memorable experience.
